EXCEPTIONAL RUSTIC FINCA - OASIS OF SERENITY IN FORERA, PETRA

Discover this extraordinary refuge where luxury meets the purest Mallorcan authenticity. This magnificent rustic finca of 450m² built on a generous 21,000m² plot represents the quintessence of exclusive Mediterranean lifestyle.

A SANCTUARY OF ABSOLUTE TRANQUILITY Imagine waking up every morning to panoramic views that embrace the horizon in all directions, where silence is only interrupted by the whisper of wind through centuries-old trees. This unique property offers absolute privacy with no disturbing neighbors, becoming your personal oasis in the midst of pristine Mallorcan nature.

SPACES THAT CAPTIVATE THE SENSES With 3 bedrooms in authentic rustic Mallorcan style and 2 bathrooms that preserve the traditional charm of rural architecture, every corner breathes the genuine essence of the island. The private library invites you to lose yourself among pages while contemplating the idyllic landscape, while the common areas, tastefully decorated with authentic artisanal objects, tell the story and tradition of Mallorca with noble materials and finishes that honor the local architectural heritage.

THE PRIVATE AQUATIC PARADISE The jewel of this property is its spectacular pool of generous dimensions, where you can immerse yourself while admiring breathtaking views. The maintenance of both the pool and the lush Mediterranean garden is included in the price, allowing you to enjoy this earthly paradise without worries.

PRIVILEGED LOCATION Strategically situated combining the serenity of the countryside with accessibility, this finca represents a unique opportunity for those seeking the extraordinary. The east-west orientation guarantees natural light throughout the day, creating a symphony of colors that changes with the hours.
