Mediterranean finca oasis with charm and privacy – in Pina, Algaida

Long-term rental from October 15 or November 1, 2025

Rental price €4,200 including pool and garden maintenance, water, and most of the electricity (PV system), so very low additional costs.

If you have always wanted a home in Mallorca that combines tranquility, Mediterranean flair, and generous comfort, then you will feel right at home here.

This dreamlike natural stone finca is located in the small, authentic village of Pina, a district of the municipality of Algaida, nestled in a green oasis. Only 20 minutes from Palma, yet far enough away to relax and unwind.

The finca stands on a completely fenced plot of around 2,000 m². Here you can feel the Mediterranean lifestyle – and the feeling of arriving, all within walking distance of the village.

As soon as you enter, you will notice the lovingly landscaped garden: olive trees, palm trees, a lush green lawn – and in the middle of it all, a spacious saltwater pool that invites you to linger. The covered terrace with BBQ area is a favorite spot for convivial evenings. If you wish, you can also use play equipment such as a slide or a climbing frame – or leave it out. Everything is flexible.
