A place between the sky and the sea

This apartment is more than a home – it is a box seat overlooking the Mediterranean. Located directly on the cliffs of La Mola, one of the most exclusive locations on the island, the view stretches far beyond the sparkling waters of Puerto Andratx to the horizon.

Here, architecture blends with nature, and every moment on the spacious terrace feels like a little sunrise for the soul.

The approximately 25 m² terrace is a real highlight: a place to relax, enjoy, and dream. In the morning, you are awakened by the soft light over the sea, and in the evening, the sun bathes the sky in a spectacular play of colors – a panorama that is among the most beautiful in all of Mallorca.

Inside, you are greeted by a bright, modern atmosphere with floor-to-ceiling windows that make the sea your constant companion. The open-plan living and dining area with integrated kitchen combines comfort with Mediterranean lightness. The fully equipped kitchen was renovated a few years ago – stylish, functional, and ready for the most beautiful moments.

The apartment has two bedrooms with built-in wardrobes and two bathrooms – one of which is spacious with a bathtub. The master bedroom offers direct access to the terrace and breathtaking views of the sea.

The property is sold furnished, so you can move in immediately and enjoy the Mediterranean lifestyle.
