Modern Mediterranean villa in Las Maravillas – space, style and comfort close to the beach Asking price 2.39 million This elegant villa in Las Maravillas combines Mediterranean architecture with modern living standards at the highest level. It stands on an approx. 734 m² plot and offers an exceptional sense of space across three levels – ideal as a high quality primary residence or exclusive holiday home. The spacious outdoor area with private saltwater pool, low maintenance garden and sunny pool terrace invites you to enjoy relaxing moments outdoors. Large floor to ceiling windows create a seamless connection between interior and exterior spaces and flood the home with natural light. Upon entering the house, a representative entrance hall opens with direct view into the living area. The living room with two seating zones creates a warm atmosphere and flows elegantly into the dining area and the modern, fully equipped designer kitchen with high quality appliances. The upper floor features generous bedrooms with plenty of daylight and access to an impressive covered terrace with arches and glass balustrade – a peaceful place to retreat. The master suite impresses with a walk in dressing area and stylish ensuite bathroom. The rooftop level offers versatile uses – such as sun deck, fitness zone or private lounge – without being staged as a primary feature. Room distribution and areas Plot approx. 734 m² Ground floor approx. 150 m² living area First floor approx. 150 m² living area Lower level approx. 100 m² (guest apartment, gym, hobby, storage) Rooftop terrace approx. 63 m² Covered terraces approx. 36 m² each (ground floor and first floor) Note on living area According to classic calculation, the ground floor and first floor together provide approx. 300 m² of living space. The lower level with approx. 100 m² is considered as additional living or usable area.
