Unique mountain chalet in Esporles with breathtaking panoramic views of mountains, valleys and the sea

Price \$1,850,000

This exceptional mountain property is perched high above Esporles and offers unparalleled views that are unmatched even in Mallorca. From almost every window, every terrace and every living area, there is a spectacular panorama over the valley, the Tramuntana mountains and as far as the distant sea. Absolute tranquility, maximum privacy and pure nature characterize this retreat, which is located just ten minutes above the village.

Set on a plot of around two thousand square meters, this spacious chalet has a built area of around four hundred square meters and a living area of approximately two hundred and sixty square meters.

Outdoor areas and views

The spacious terrace areas, totaling around one hundred and fifty square meters, are the heart of the house. They surround the property like viewing balconies, offering new light effects and panoramic views at any time of day. The infinity pool with children's area and integrated jacuzzi reflects the sky and visually blends into the panorama. Here you can experience the feeling of floating above the island.

Room layout

Basement

The basement is a separate living area and ideal for guests or as a private retreat.

- Large living room with direct access to the pool terrace
