A Heavenly New-Build Finca Near Inca, Bordering Sencelles, Mallorca..This large luxury finca, which also includes a guest house, is move-in ready and fully constructed. Next door, there are two additional large plots where two more country houses are currently nearing completion. Within less than a year, we will be able to offer you two more new-build properties, which might be of interest for commercial use (not for holiday rentals) or for multiple families wishing to live together, each on their own large plot of approximately 15,000 m² with their own spacious house...**Rental Price: €6,800**..Living in the picturesque surroundings of Inca on Mallorca means not just settling down in a beautiful country house, but also experiencing a piece of paradise on the island. Inca, with its idyllic location in the heart of Mallorca, offers not only an oasis of tranquility but also a perfect blend of traditional charm and modern comfort...The country house we offer for rent is a true gem. Nestled in a peaceful and expansive landscape with an impressive plot of 14,220 m², it promises privacy and serenity. The property, with a living area of 249.71 m², is perfectly laid out and offers luxurious living comfort to its residents, with five spacious double bedrooms, built-in wardrobes, and four bathrooms. Additionally, there is an old barn currently being converted into a guest house, which will soon shine as a loft and is located 100 meters away from the main house, providing ample distance...The propertys location, just 4 minutes from Inca, allows for easy access to a variety of amenities. Inca, one of the most charming villages in Mallorca, not only offers a wealth of services such as supermarkets, shops, and restaurants but is also well connected to the highway and the renowned Hospital de Inca...The property itself impresses not only with its generous spaces but also with its high-quality features. Underfloor heating, air conditioning, natural stone tiles, and solar energy highlight its modernity, while the traditional Mallorcan charm is preserved with exposed beams and tasteful design...Trees have been planted throughout the entire property, and high-quality grass has been laid around the pool area.
