Most flats have private terraces and balconies. The flats on the first floor, the so-called noble floor, have a beautiful conservatory and very high ceilings. All bedrooms offer optimised spaces with high built-in wardrobes and muted colours combined with wood. ..What connects all the flats is the inviting courtyard with swimming pool in the middle of the building, with sun loungers for sunbathing or shady spots for retiring. There are also two lifts and a communal bicycle storage room. A true oasis just a few steps from the popular Paseo del Borne and within walking distance of the promenade, harbour and beaches. 302: Duplex flat of 164 m2 living area with an outdoor area of approximately 40m2. ..On the lower floor there are two bedrooms with en-suite bathrooms. A staircase leads to the large private roof terrace with magnificent views.
