This apartment, completely renovated in 2025 and located on the 7th floor, offers spectacular sea views and a modern layout with high-quality finishes. It features two bedrooms, a separate dressing room that can also be used as a children's room or office, and two modern bathrooms. The property also boasts a high-end kitchen, smart home features, and elegant high-gloss ceilings. The building has an elevator and the property includes a small garage, ideal for a compact car, motorcycle or scooter. Arenal stands out for its extensive sandy beach, its promenade, numerous restaurants and an excellent connection with Palma and the airport. Note: Some images have been edited using artificial intelligence to better show the furniture possibilities and the distribution of spaces.
